

Operational Policies & Guidelines

The Javits Center team wants your experience at our facility to be as enjoyable and trouble-free as possible. That's why it's important for Event Managers to review and adhere to the policies described in our list of Building Rules. Operational Policies below delineate the scope of permitted work performed by Exhibitors, Event Managers, and Contractors. The rules and guidelines below were developed to ensure both the smooth operation of Javits Center events and the safety of all exhibitors and attendees. If you have questions, call 212-216-2090, Monday-Friday, 9 am - 5 pm EST.

The Javits Center provides skilled and courteous employees to perform most of the labor needed for events. With few exceptions (explained below), Event Managers, Contractors and Exhibitors must hire the Javits Center's employees to perform the following work. Please refer to our Operational Policies during your planning before coming to Exhibit at the Javits Center.

Operational Policies

+ General Servicing Contractor

General Servicing Contractors are hired by your event manager. They are generally responsible for the physical planning of the event, the shipment and delivery of exhibition freight, the rental of furniture, carpets and other booth/exhibit equipment and the building and dismantling of most of the exhibits. General Servicing Contractors supply their own on site management and supervisors and hire freight moving and exhibit building labor from the Javits Center. In order to hire labor directly from the Center, General Servicing Contractors must open an account, which requires, among other things, the posting of a guarantee of payment bond or letters of credit and the fulfillment of certain insurance requirements.

+ Exhibit Appointed Contractors

Exhibit Appointed Contractors (EAC's) are hired by exhibitors to build and dismantle exhibits. EAC's supply their own on-site management and hire exhibit building labor employed by the Javits Center. In order to hire labor directly from the Center, EAC's must open an account, which requires, among other things, the posting of a guarantee of payment bond or letters of credit and the fulfillment of certain insurance requirements.

+ Freight Moving

Javits' Freight Handlers are responsible for loading and unloading trucks and delivering exhibitor freight and machinery to and from exhibitors' booth; loading and unloading decorating contractors' equipment to and from a marshalling point on the exhibit show floor; and perform rigging work with forklifts. Freight Handlers are hired from the Center by general decorating

contractors. Freight Handlers work under the direction and supervision of the general decorating contractor and their shifts are determined and organized by the contractor. Freight Handlers are represented by the International Brotherhood of Teamsters, Local 553.

Work Hours:

Freight Handlers are paid straight time for the first eight (8) hours worked and overtime for any hours worked beyond eight (8) on Mondays through Fridays. They are paid time and a half for all hours worked on Saturdays and Sundays. They are paid double time for all hours worked on holidays.

+ Hand Carry Policy

The Javits Center is the busiest convention center in the United States, and, as a result, our operations can have a major impact on the surrounding community. As Manhattan's West Side continues to evolve with rapid new development, clients of the Javits Center must make every effort to minimize our impact on neighboring streets during busy move-in and move-out periods.

The hand carry policy, which is outlined below, is designed to maximize exhibitor move-in/out efficiency, minimize traffic congestion, reduce our carbon footprint, and the negative impact on the west side of Manhattan. Exhibitors should take notice that 11th Avenue and the adjacent streets around the Javits Center are no longer permitted to be used for staging or unloading hand carry materials as in years past. Likewise, hand carry materials **are no longer permitted** to enter Crystal Palace, via 11th Avenue due to Lincoln Tunnel congestion concerns.

Your event will publish the hand carry hours of operation, location, and entrance availability in advance of your event. Likewise, the Javits Center Public Safety team will organize and coordinate all hand carry operations for your event. In certain cases, depending upon need and availability of space, the rear of exhibit halls and/or our new truck marshaling building may be used for hand carry operations. In all cases, your event will communicate the logistics surrounding your hand carry needs.

The Javits Center Hand Carry Policy is as follows:

- Hand-carried items can be brought in through the front of the building (east side) for South Javits only through the inner roadway and only during event specified times.
- Pop-up displays – equal to or less than 10 feet in length and capable of being carried by hand by one person – may be brought into the building.

 - Parking or standing on 11th Avenue or any of the secondary streets around the Javits Center is strictly prohibited and subject to fine or tow.
- **Enforcement for Hand Carry Operations:**
 - The Javits Center's Security and Safety Solutions Department will provide security on the inner-roadway and loading docks during all designated hand carry hours of operation.
 - The New York City Police Department will provide all enforcement for the New York City streets surrounding the Javits Center.
 - The Javits Center reserves the right to search any box, bag, container, crate, etc. to ensure full compliance with the building's regulations.
 - The Javits Center reserves the right to deny entry to anyone not in compliance with all stated policies and procedures.
